

How to present the Match-Trader Platform on social media?

Logo

The usage of the Match-Trader Logo should follow the examples showed below. It's unacceptable to use altered version of the logo or logo of the Company which developed the platform.

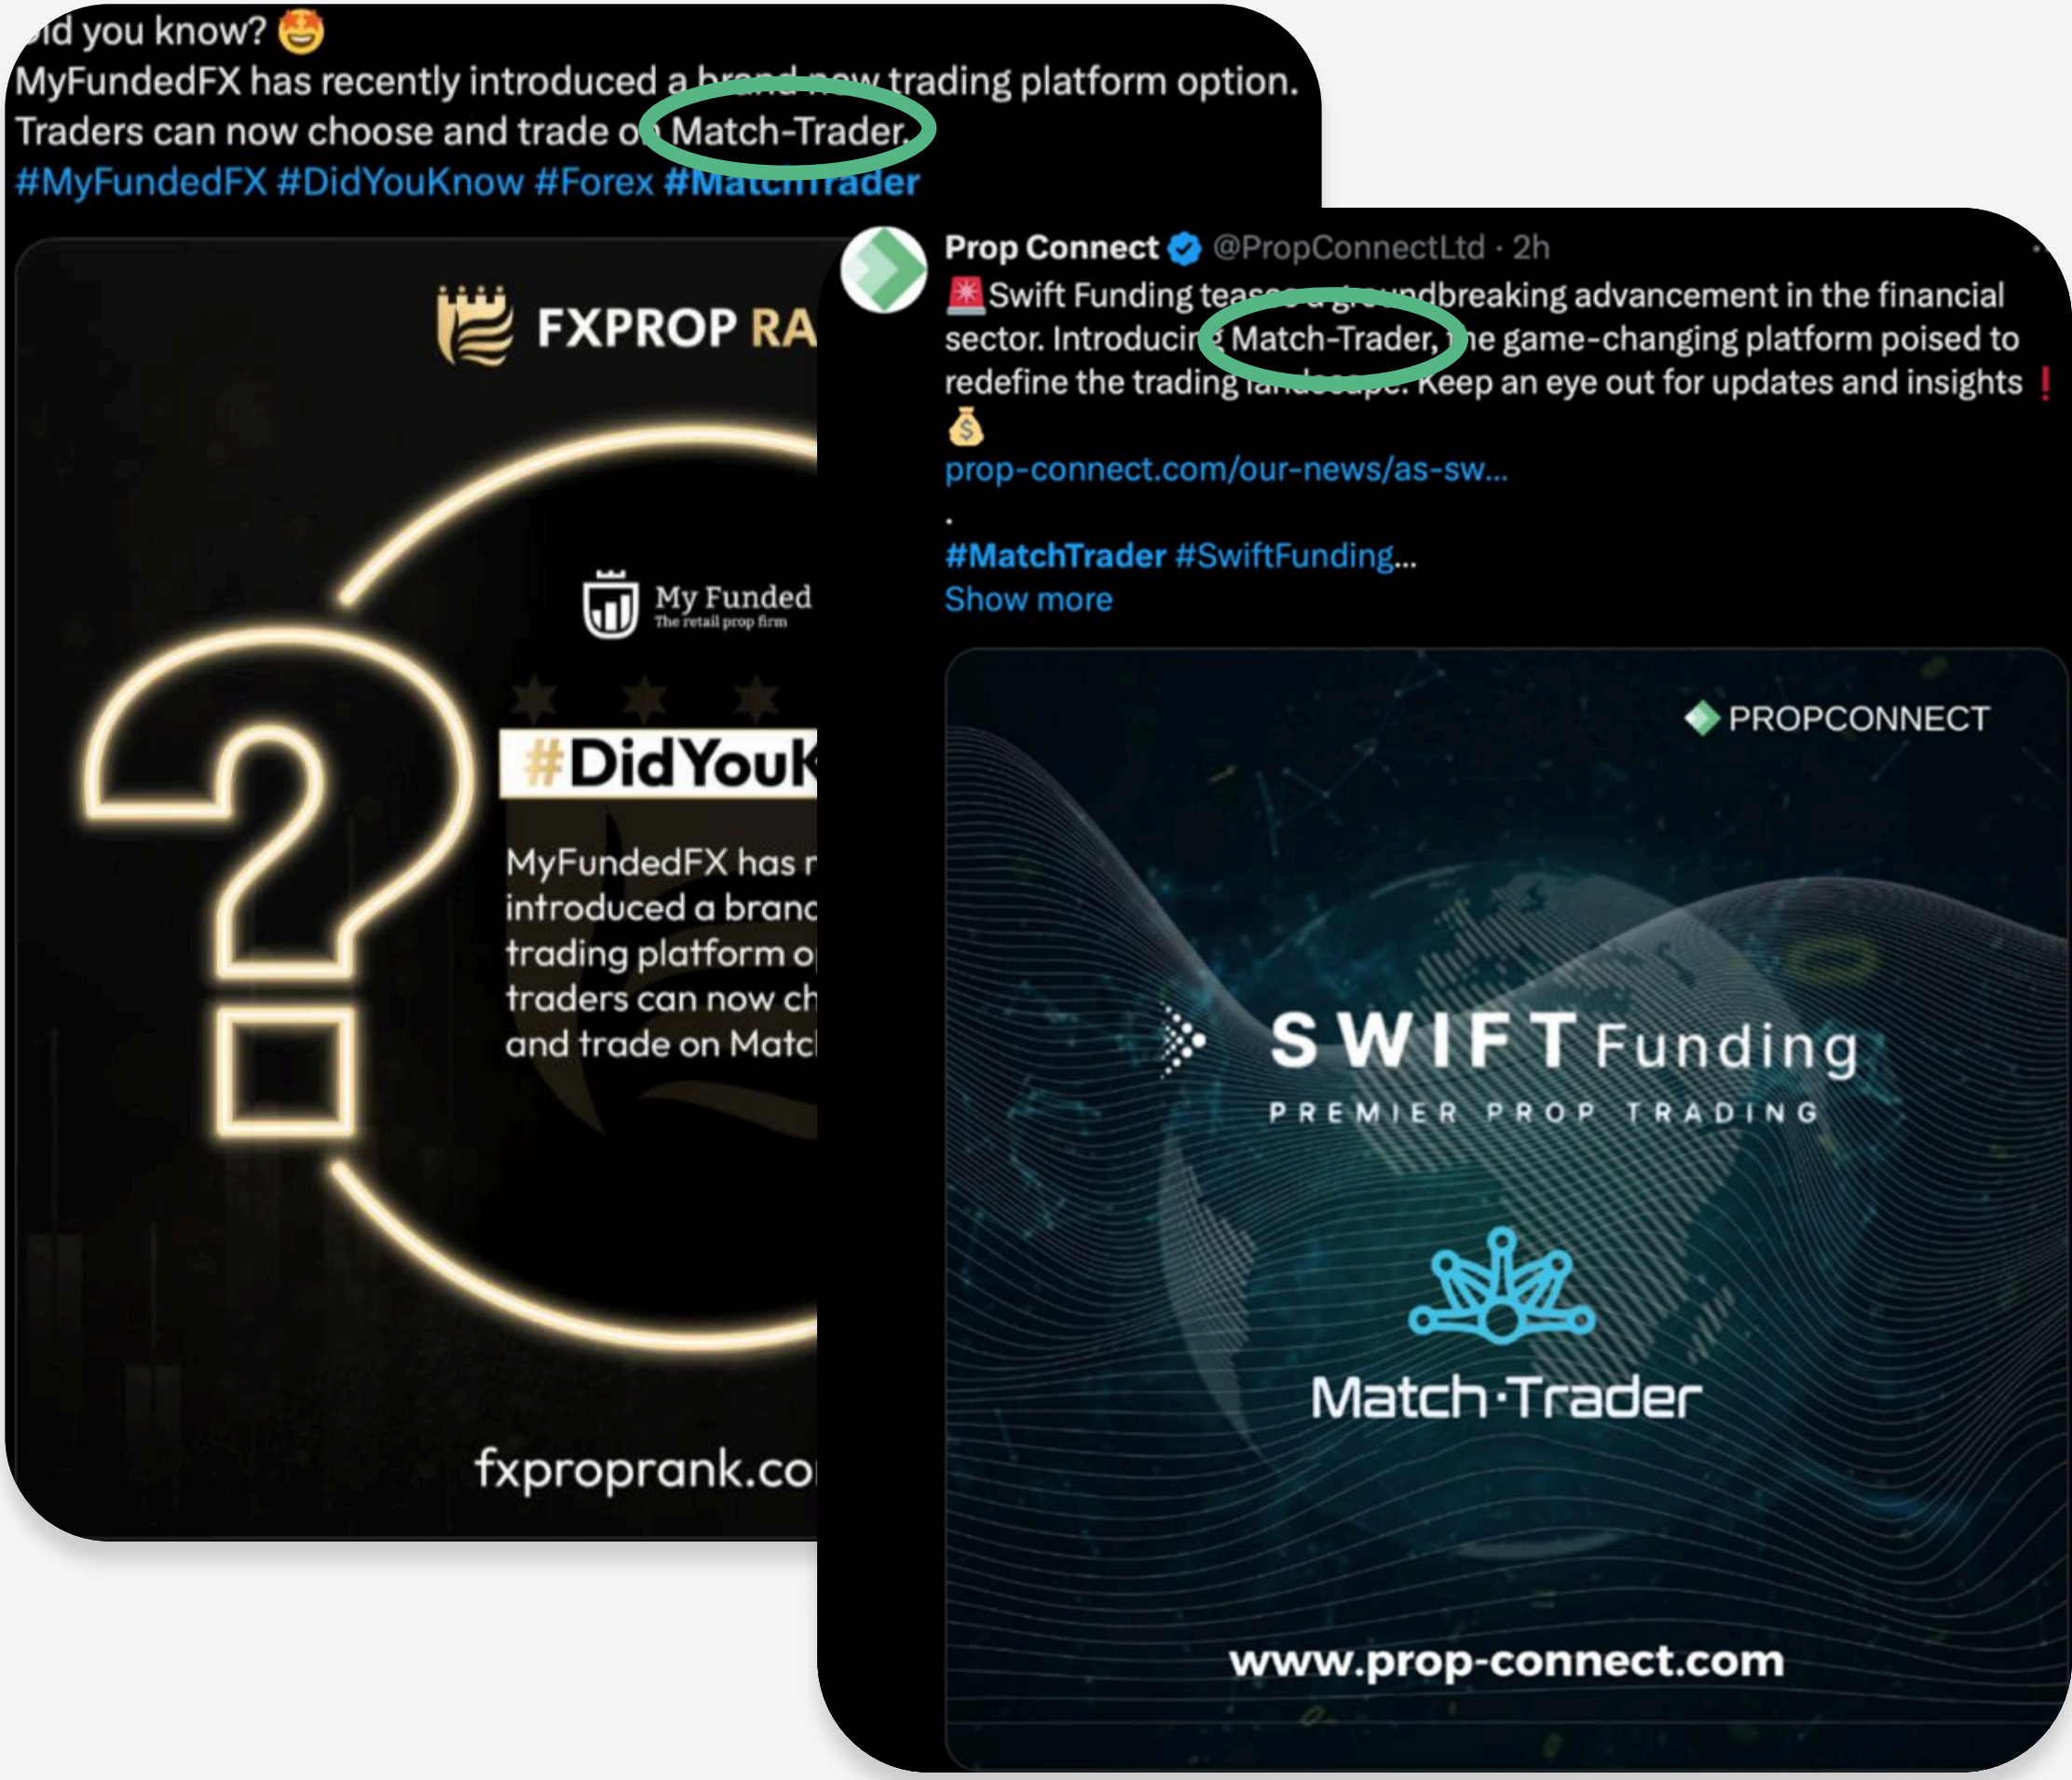

Colors

Naming

The name of the platform is **Match-Trader** with the hyphen between the two words and both words starting with capital letters. We also approve the usage of the abbreviation - **MTR** as well as all capital letters **MATCH-TRADER**.

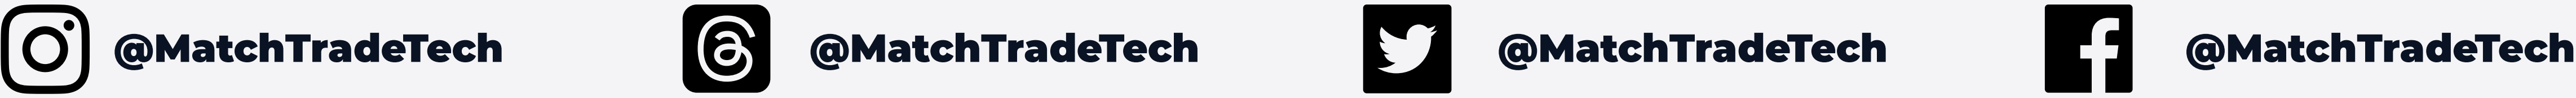

Hashtags

Hashtags are a great way to help social media users to filter news about our platform on various social media outlets. The tags we encourage you to use are:

- #matchtrader
- #Match-Trader
- #matchtraderplatform
- #MTR

Our social media profiles

The Match-Trader Platform doesn't have any dedicated accounts so we post form the Match-Trader Technologies accounts which can be tagged in your posts using the handles below

*please do not modify the colors, proportions, or any other elements of the logos.
